

Application to Become a Member of The National Federation of Prostate Cancer Support Groups

Membership of the Federation is by one of three categories as follows:

Member Organisations*	support organisations whose principal activities are driven by and directed towards prostate cancer patients
Partner Organisations**	organisations which are not necessarily patient-led but have a legitimate interest in prostate cancer and support the objects of the Federation
Honorary Members**	individuals who do not belong to a member organisation but are invited to join by the Trustees because they have had a long-standing legitimate interest in prostate cancer and support the objects of the Federation

* Member Organisations are support organisations that have:

- A membership consisting primarily, but not solely, of men who have or have had prostate cancer, their partners, families and carers; and
- Objects and/or aims that are compatible with those of the Federation.

** Non-voting members
